

III. The Spiritual Battle of a faithful prayer life  
A. We call it the story, Daniel in  
lion's den is the classic account of  
going adversarily core into the life of a Godly  
man. Before we see the adversity  $\Rightarrow$   
B. See the favorable Shending before all  
VS 151-3, Daniel had a perfect pas-  
sion above all the princes & presi-  
dents of the King. He had the favor  
of the King. Steps of Godmen are order  
by hand. If you walk in holiness, no  
hunger ever, good marriage, be the kids  
be the workers, you will be in favor before  
rulers, just makes sense. Remember he's still captive  
G. See the focal point of Satan's Brutal At-  
tack. But the holy walk drives the venom  
from the wicked, if you do right  
there will come attacks! Mark it  
down. If not from co-workers & family  
from Satan. Especially in prayer Satan hates  
prayer, he will try to prevent Communion  
in prayer, How many of you have difficulty?  
H. How can we combine in prayer? Daniel's specific  
D. See the Faithful Servant Bow to the King  
Despite the order of the King  
Despite the endeavors of wicked & Satan  
Daniel presented in prayer. He should  
cherish God rather than man! Daniel  
did not bow to the pressures of the  
King. Daniel knew this was going  
to get worse before better. This  
was war! The devil wants all he can  
to prevent prayer, but your persist and  
pursue and persist in prayer! For the God man!

IV. The Supernatural Blessings of a faithful prayer life  
A. It doesn't look good for our prayer  
here. Arrested, tried, sentenced, death is  
sure. Our prosperity is beyond the law  
B. An Experience of the Power of God  
VS 18-20 Daniel cast in the Den of  
Lions for serving God. I wonder  
what was going through him, Devil  
falling down, waiting for a lion's  
attack heart racing, resolved to  
honor God but in natural fear!  
Nothing happens opens an eye. All he  
saw he had his head in lap. I don't think  
so, crouched in corner, saying Glory to God  
Story of Tracy? Every great man of God  
C. An Experience of the Power of God  
Philp 4:6 Be careful for nothing but in  
everything by prayer and supplication w/  
thanksgiving let your request be made known  
into God with the peace. Who do we  
see up all night working and fasting  
D. King, Ps 4:8 I will both lay... in peace & sleep  
for the Lord only makes us dwell in safety  
Live forever Oh King These  
wicked men may have slept good  
that night, but the day is coming!  
The devil's day is a coming!  
V. Young preacher was asked to go on the  
road with an elderly well respected  
preacher in the same town. The young  
preacher had expected to  
to find old preacher in times of length  
prayer before he, young preacher prayed for  
an hour or so and reached in town. The  
old preacher in bed, Thank you... I sleep prayer!
